

House tht farts built. Thekids love toilet humor, well a lot of people do.

blob-o- bob-o

Hong Kong fire, boys & crack & all of that. Just as Bad as you could think.

A conference a week at a nice hotel. All my expenses paid and
a few thousad. Just to be on a anel.

I play the asshole, the mercenary producer who put out absolute
shit and neve pretended otherwise. The ugh! Jew, though I'm
an Czech from upstate NY.

I'm to act surprised when they read their papers. Blob-o
etc the farting contest in the larger American context:
the ontological sturm and Drang of the no longer youh cultue.
